## **Independent Auditor's Report**

Board of Directors  
PACE Community Action Agency, Inc. and Subsidiary  
Vincennes, Indiana

We have audited the accompanying consolidated statements of financial position of PACE Community Action Agency, Inc. and Subsidiary as of December 31, 2009 and 2008 and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of PACE Community Action Agency, Inc. and Subsidiary as of December 31, 2009 and 2008, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 9, 2010 on our consideration of PACE Community Action Agency, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting or on compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an

audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material aspects, in relation to the basic financial statements taken as a whole.

**PACE COMMUNITY ACTION AGENCY, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2009 AND 2008**

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**PRINCIPLES OF CONSOLIDATION**

The consolidated financial statements include the accounts of PACE Community Action Agency, Inc. (the "Organization"), and its wholly-owned subsidiary, PACE Ventures Holding, Inc. All material inter-company transactions have been eliminated in consolidation.

**NATURE OF OPERATIONS**

PACE Community Action Agency, Inc. (the "Organization") was incorporated as Wabash Valley Human Services, Inc. and commenced operations as a not-for-profit corporation in 1965, under the laws of the State of Indiana. Effective January 1, 2007, the Organization changed its name to PACE Community Action Agency, Inc. The Organization currently serves the counties of Daviess, Greene, Knox and Sullivan with limited services provided in Vigo County. In addition, the Organization is governed by a volunteer Board of Directors with advisory and policy councils serving to guide the various programs administered. The primary goal of the Organization is to enable economically and socially disadvantaged people to achieve self-sufficiency and become less dependent on public assistance. Programs and services offered provide opportunities for all age groups, particularly those who are low-income and meet program guidelines.

On January 3, 2007, the Organization formed PACE Ventures Holding, Inc., a C corporation (the "Subsidiary") as a wholly owned subsidiary under the laws of the State of Indiana. Currently, the Subsidiary provides computer training for community residents and non-profit financial, human resource and consulting services for non-profit organizations. In addition, the Subsidiary has two (2) wholly owned subsidiaries. PACE Ventures, LLC was formed on December 28, 2006, to provide janitorial and cleaning services to business and residential customers in southern Indiana and Illinois. PACE Adventures Childcare, LLC was formed on August 8, 2007, to purchase an existing daycare business and facility in the Vincennes, Indiana area. Income or losses from business activity performed by PACE Ventures, LLC and PACE Adventures Childcare, LLC are reflected as increases and decreases in the investment in subsidiaries balance in the statement of consolidated financial position. In addition, income or losses from LLC activity is presented in the investment in subsidiary income balance in the consolidated statement of activities.

**BASIS OF ACCOUNTING**

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

**INVENTORY**

Materials and supplies purchased throughout the year are charged to expense as the cost is incurred. Any items remaining on hand at year end are recognized as inventory in the financial statements at their actual cost.

**PACE COMMUNITY ACTION AGENCY, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2009 AND 2008**

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**REVENUE RECOGNITION**

The Organization receives grants from the State of Indiana (State) and the federal government to carry out certain program activities. The grants are received under contracts which require the Organization to submit to the State appropriate records of services provided to eligible individuals. Revenues under the contracts are recognized as the services are provided.

The Subsidiary recognizes revenue as it is earned and billed.

**PROPERTY AND EQUIPMENT**

The Organization's property and equipment are stated at cost and depreciated over estimated useful lives of five to forty years using the straight-line method. The following is a summary of the lives for each class of asset:

Buildings	40 years
Equipment	5-10 years
Vehicles	5-10 years

Expenditures for improvements and major renewals are capitalized. When property is sold, retired or otherwise disposed of, the related cost and accumulated depreciation are eliminated from the accounts and any resulting gain or loss is credited or charged to income. Expenditures for maintenance and repairs are expensed when incurred. Depreciation expense incurred for the years ended December 31, 2009 and 2008 was \$140,411 and \$52,130, respectively.

The Subsidiary's property is stated at cost and depreciated over an estimated useful life of thirty years. The Subsidiary provides for depreciation in amounts sufficient to relate the cost of depreciable assets to operations using the straight-line method. It is the Subsidiary's general practice to charge maintenance and repairs to expense in the current period. Depreciation expense incurred by the Subsidiary for the years ended December 31, 2009 and 2008 was \$27,192 and \$4,147, respectively.

**CONCENTRATION OF CREDIT RISK**

The Organization maintains its cash balances in several banks. The accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 as of December 31, 2009 and 2008, respectively. At December 31, 2009 and 2008, the Organization's uninsured cash balances totaled \$188,980 and \$139,125, respectively.

Revenues from federal and state government agencies that provide grant and contract funding to the Organization as of December 31, 2009 and 2008, represented 75% and 95% of the Organization's total revenue and support for the years then ended.

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**INCOME TAX STATUS**

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

Income tax expense for the Subsidiary will include federal and state taxes currently payable and deferred taxes arising from temporary differences between income for financial reporting and income tax purposes. No such differences existed as of December 31, 2009 and 2008. There was no provision for income tax since the Subsidiary incurred losses for these years.

**CONTRIBUTIONS**

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. If a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted.

**CONTRIBUTED SERVICES**

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance non-financial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated. The Organization pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, solicitations, and various committee assignments. No amounts have been recorded in the financial statements for non-professional volunteer time.

**FINANCIAL STATEMENT PRESENTATION**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) for *Financial Statements of Not-for-Profit Organizations*. Per these standards the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization did not have temporarily or permanently restricted net assets as of December 31, 2009 and 2008.

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**ADOPTION OF NEW ACCOUNTING STANDARDS**

Upon adoption of the FASB standard for *Accounting for Uncertainty in Income Taxes*, PACE Community Action Agency, Inc. will recognize a tax benefit only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded. Currently, PACE Community Action Agency, Inc. accounts for contingencies associated with certain tax positions in accordance with the FASB standard for *Accounting for Contingencies*.

*Accounting for Contingencies*, which provides the recording of a contingency based on the probability of certain events to transpire that range from probable to remote as opposed to applying a more likely than not recognition threshold. PACE Community Action Agency, Inc. has examined this issue and has determined there are no material contingent tax liabilities.

In 2006, the Financial Accounting Standards Board (FASB) issued a standard addressing *Fair Value Measurements*, which defines fair value, provides enhanced guidance for using fair value to measure assets and liabilities under current U.S. GAAP standards and expands the disclosure of the methods used and the effect of fair value measurements on earnings. The Organization adopted applicable portions of this standard for the year ended December 31, 2009. Additional disclosure is provided in Note 11.

**IN-KIND CONTRIBUTIONS**

In addition to receiving cash contributions, the Organization receives in-kind contributions from various donors. It is the policy of the Organization to record the estimated fair market value of certain in-kind donations as an expense in its financial statements, and similarly increase revenue and other support by the same amount. For the years ended December 31, 2009 and 2008, this adjustment amounted to approximately \$330,833 and \$229,206, respectively and is included in other revenue and support on the Consolidated Statements of Activities.

The Organization has recorded in-kind contributions for professional services on the Consolidated Statement of Activities in accordance with the FASB standard for *Accounting for Contributions Received and Contributions Made*. This standard requires that only contributions of services received that create or enhance a non-financial assets or require specialized skill by the individual possessing those skills and would typically need to be purchased if not provided by donation be recorded. The requirements of this standard are different from the in-kind requirements of the Organization's grant funding sources.

Of the \$330,833 and \$229,206 of in-kind contributions and related expenses recorded in the Organization's Consolidated Statement of Activities for the years ended December 31, 2009 and

**NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**IN-KIND CONTRIBUTIONS (continued)**

2008, contributed services meeting the requirements of FASB standards are \$49,749 and \$13,546, respectively. During 2009 and 2008, the Organization also received other in-kind contributions totaling \$358,969 and \$597,509, respectively, from non-professional volunteers, primarily for its Head Start program which are not recorded in the Consolidated Statement of Activities.

**GOVERNMENT GRANTS**

Support funded by grants is recognized as the Organization performs the contracted services under grant agreements. Grant revenue is recognized as earned as the eligible expenses are incurred. Grant expenditures are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required. Amounts required prior to expenditures being incurred are reflected as advance funds on the Statement of Financial Position.

**CASH AND CASH EQUIVALENTS**

For purposes of the Statement of Cash Flows, the organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**GRANTS RECEIVABLE AND ALLOWANCE FOR UNCOLLECTIBLE ACCOUNTS**

The grants receivable represent amounts the Organization has filed claims for the year ended and were awaiting payment. A substantial majority of receivables are due from government sources. The amount deemed uncollectible is zero. Therefore, no bad debt allowance is considered necessary.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

**EXPENSE ALLOCATION**

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Activities and in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**NOTE 3 – EMPLOYEE BENEFITS**

The Organization switched from a 403(b) defined contribution plan to 401(k) plan in May 2008. The Agency matches employee contributions dollar for dollar up to \$200. For the years ended December 31, 2009 and 2008, the employer contributions amounted to \$9,000 and \$9,764, respectively.

**NOTE 4 – OPERATING LEASES**

The Organization leases multiple operating facilities under cancelable operating lease arrangements which expire at various times through February 2014. The arrangements are only cancelable should Federal funding for the program using the facility cease or become unavailable. In addition, the Organization leases office equipment under a non-cancelable lease which expires in July of 2013. Rental expense for these leases included in the statements of

common benefit of all agency programs, which cannot be readily identified with a final cost objective. The Organization's cost allocation methods are as follows:

*Personnel.* Agency personnel with multiple program duties (Executive Director, Chief Operating Officer, accounting personnel, etc.) record the time they spend working on specific programs on their time sheets. The time specifically identifiable to a particular program is charged to that program.

*Occupancy Costs.* Occupancy costs (maintenance costs, utilities, insurance, rent, repair costs, etc.) are allocated based on the number of square feet of space each program occupies. Space occupied by staff with multiple program duties is allocated based upon time worked in each program.

*Copy Costs.* A record is maintained of copies made for each program. Copy costs are charged monthly to programs based upon the number of copies made.

*Insurance.* Insurance is allocated to benefiting programs depending on the equipment, space or number of employees covered by the insurance.

*Other Joint Costs.* Other joint costs (telephone, computer usage, etc.) are allocated to agency programs based upon usage by each program.

**NOTE 10 – RECLASSIFICATIONS**

Certain reclassifications have been made to the 2008 financial statements to conform to the 2009 presentation.

**NOTE 11 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Statement of Financial Accounting Standard for *Fair Value Measurements* defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the Organization's principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

**PACE COMMUNITY ACTION AGENCY, INC.**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**DECEMBER 31, 2009 AND 2008**

**NOTE 11 - FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)**

This standard establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement the entire fair value measurement in the hierarchy.

The Organization holds a Certificate of deposit which is classified as a Level 1 investment and an investment in subsidiaries which is classified as a Level 3 investment.

**NOTE 12 – SUBSEQUENT EVENTS**

The Organization did not have any other subsequent events through July 9, 2010, which is the date the financial statements were available to be issued, for events requiring recording or disclosure in the financial statements for the period ended December 31, 2009.

Vincennes, Indiana

Our report on our audit of the consolidated financial statements of PACE Community Action Agency, Inc. and Subsidiary as of December 31, 2009 and 2008 appears on page one. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements taken as a whole. The supplementary information (shown on pages 21, 22, 23 and 24) is presented for purposes of additional analysis of the consolidated financial statements rather than to present the statements of financial position and results of activities of the individual organizations. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole for the years ended December 31, 2009 and 2008.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING  
STANDARDS***

To the Board of Directors  
PACE Community Action Agency, Inc.  
Vincennes, Indiana

We have audited the financial statements of PACE Community Action Agency, Inc. (a nonprofit organization), as of and for the year ended December 31, 2009, and have issued our report thereon dated . We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered PACE Community Action Agency, Inc.'s internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether PACE Community Action Agency, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do

not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the board of directors, management, others within the organization, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Directors  
PACE Community Action Agency, Inc.  
Vincennes, Indiana

Compliance

We have audited the compliance of PACE Community Action Agency, Inc. (a nonprofit organization) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to its major federal programs for the year ended December 31, 2009. PACE Community Action Agency, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of PACE Community Action Agency, Inc.'s management. Our responsibility is to express an opinion on PACE Community Action Agency, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about PACE Community Action Agency, Inc.'s compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of PACE Community Action Agency, Inc.'s compliance with those requirements.

In our opinion, PACE Community Action Agency, Inc. complied, in all material respects, with the requirements referred to above that are applicable to its major federal programs for the year ended December 31, 2009.

Internal Control Over Compliance

The management of PACE Community Action Agency, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered PACE Community Action Agency, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program as a basis in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, and to test and report on internal

control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of PACE Community Action Agency, Inc.'s internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the board of directors, management, others within the organization, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
