

Activity Name: Drawing the Alphabet

Instructions: Using the samples below as a reference guide have your child write the letters of the alphabet then transform them into an illustration of an animal/object that begins with the same letter sound. Practice identifying the letter & letter sound. Images do not have to be precise- allow them to come up with their own images that match the beginning letter.

adapt this challenge by

- assisting your child with the drawing process- provide guidance-take turns drawing the line forms- demonstrate how to write/draw letters/line forms
- if your child is struggling- write the letters & draw the pictures- have them identify letter/letter sound- allow them to choose the color/line form etc.
- extend this activity by having them create background scenery & make a story out of each letter

Learning Objective: Children will develop the ability to identify the letters of the alphabet, letter sound knowledge, increase fine motor skills needed to perform writing/drawing tasks, & enhances cognition through artistic creations.

TSG Obj.: 7a,7b,14a,16a,16b,33
