

**Activity Name:** Alphabet painting

**Instructions:** Write the alphabet in capital letters on a piece of paper or construction paper. Have your child use Q-tips, or their finger tips to paint dots along the letters. While they are painting have them tell you the letter and the sound the letter makes. This will help them with letter and sound recognition.

**Learning Objective:** This activity helps your child with their fine motor skills, engaging in conversation, and letter/sound recognition.

Obj 7a,10a,11a,16a,16b.
