

Activity: Shape Road

Instructions: Use painter's tape to tape large, basic shapes to the floor. Encourage children to roll different types of vehicles over the shapes like a road. While they are driving the car, repeat the shape they are on over and over. Encourage them to repeat the shape names with you.

Learning Objectives: Children will be demonstrate gross motor skills, use classification skills, engage in conversations, and understand shapes.

TSG Objectives: 6, 10a, 13,21b
